

C. M. BENSON.

APRIL 24, 1884.—Laid on the table and ordered to be printed.

Mr. BAGLEY, from the Committee on Invalid Pensions, submitted the following

REPORT:

[To accompany bill H. R. 4969.]

The Committee on Invalid Pensions, to whom was referred the bill (H. R. 4969) for the relief of C. M. Benson, having considered the same, make the following report:

This case seems a proper one for the Pension Office to consider, it being a question of increase. It seems to possess merit, but there is not sufficient evidence to aid the committee to a favorable conclusion. They ask, therefore, to be discharged from the consideration of the bill, and recommend that it lie on the table.
